

Product Information Data Sheet

Starmark Pro-Training Hands-Free Leash

1. Products covered by this document:

This document covers the Starmark Pro-Training Hands-Free Leash.

2. Relevant uses identified for these products:

This product is intended for training, walking, and running use.

3. Uses advised against for these products:

This product is not recommended for chewing or unsupervised use by dogs.

4. Distributor name and address:

Manufacturer:
Starmark Pet Products, Inc.
200 County Road 197
Hutto, Texas 78634, USA
Phone: +1-512-759-2275
Email: info@starmarkacademy.com

European responsible importer:
Starmark Inc.
Osterkamp 11
32457 Porta Westfalica, NRW Germany
Phone: +49 5731 98 200-0
Email: info@portapet.de

5. Material:

The Pro-Training Hands-Free Leash is made from Permathane (synthetic leather) outer with nylon fabric webbing inside.

6. Characteristics:

6.1 Scent:

Unscented.

6.2 Color:

Pro-Training Hands-Free Leash	Black
-------------------------------	-------

6.3 Sizes:

Varies by product type.

7. Functionality:

The Pro-Training Hands-Free Leash is designed for training, walking, and running. It is adjustable from 4-feet to 7-feet, eight inches. Using the slide lock, it can be configured with a handle, a slip lead, a two-dog leash, a tether, or around the waist or chest for hands-free walking. The Permathane outer material is waterproof and durable with a leather-like feel and is also easily cleaned. It also has fabric webbing running through the center for added durability. The easily operated slide lock allows the user to switch between configurations quickly.
