

Product Information Data Sheet

Starmark Pro-Training Treat Pouch

1. Products covered by this document:

This document covers the Starmark Pro-Training Treat Pouch.

2. Relevant uses identified for these products:

This product is intended for training use only.

3. Uses advised against for these products:

This product is not recommended for chewing or unsupervised use by dogs.

4. Distributor name and address:

Manufacturer:
Starmark Pet Products, Inc.
200 County Road 197
Hutto, Texas 78634, USA
Phone: +1-512-759-2275
Email: info@starmarkacademy.com

European responsible importer:
Starmark Inc.
Osterkamp 11
32457 Porta Westfalica, NRW Germany
Phone: +49 5731 98 200-0
Email: info@portapet.de

5. Material:

The Pro-Training Treat Pouch is made from nylon fabric with a neoprene opening.

6. Characteristics:

6.1 Scent:

Unscented.

6.2 Color:

Pro-Training Treat Pouch	Black and gray
--------------------------	----------------

6.3 Sizes:

Varies by product type.

7. Functionality:

The Pro-Training Treat Pouch is designed to carry small treats, kibble, or balls inside the large main compartment. Overlapping neoprene panels at the top of the Treat Pouch allow the user to easily insert and remove their hand. These panels also help retain the items kept inside the Treat Pouch. A zippered front compartment can hold smaller items separately. Side webbing allows additional items to be attached to the Treat Pouch. An adjustable belt allows the user to wear the Treat Pouch around their waist. Alternatively, a belt clip allows the user to clip the Treat Pouch to their own belt or trousers.

8. Available products:

9. Traceability:

The Pro-Training Treat Pouch is sold in Starmark packaging. Our warehouse practices FIFO (first in/first out) to ensure proper inventory rotation. Packaging lists both US and EU contact information for consumer inquiries starting late 2025.

10. Identification of potential hazards:

Danger	Description	Examples of risk situations
Breakage	Zipper or belt clip breaking.	Zipper stops working or belt clip snaps off.
Choking	Small pieces may pose choking hazard.	Pieces chewed off of Treat Pouch may pose a choking hazard.
Misuse	Leaving product unattended with pet or children.	Belt could become wrapped around neck of pet or child.

11. Risk assessment:

Evaluation matrix:

- Probability: Low, Medium, High
- Impact: Low, Medium, High
- Total Risk: Low, Medium, High

Danger	Probability	Impact	Total Risk	Comments
Breakage	Low	High	Medium	Starmark uses durable materials to reduce the likelihood of breakage during normal training use.
Choking	Low	High	Low	Small pieces could be torn off if chewed, creating a choking hazard. Treat Pouch is not recommended for chewing or unsupervised use.
Misuse	Low	High	Low	Product is clearly marked for dog training use.

12. Mitigation measures:

12.1 Safe material

Starmark Pro-Training Treat Pouch is made from nylon fabric and neoprene.

12.2 Durable and functional design

Starmark Pro-Training Treat Pouch is made from durable fabrics to withstand prolonged and repeated training usage and washing.

12.3 Labeling and information

Usage information is included on packaging and online.

12.4 Compliance testing

Both mechanical and live testing is conducted on all product prototypes prior to launch for safety and durability.

12.5 Risk monitoring and management

Defective products that do not meet quality standards are culled during the manufacture process.

13. Labeling and usage tips

For training use.

Pets should be supervised during the use of this product.

Pieces smaller than the mouth may present a choking hazard.

Machine wash or hand wash.
